

The Tri-Agency Framework: Responsible Conduct of Research – Resources

Susan Zimmerman
Executive Director
Secretariat on Responsible Conduct of Research
Ottawa, Canada

CAREB pre-conference workshop (Responsible and Ethical Conduct of Research) – morning presentation
May 25, 2016
Toronto, ON

**PANEL ON RESPONSIBLE
CONDUCT OF RESEARCH**

Overview of presentation

Resources to assist in the application of the Framework

- Interpretation
- Educational material
- Outreach
- Revision

Interpretation

- Interpretation service: to clarify Framework
- Responses developed based on:
 - questions from the research community
 - observations by the Panel on Responsible Conduct of Research
- Advice provided on questions of process

Educational material

- Basic webinar
- Video aimed at new researchers
- Tutorial...?
- Considering options

Outreach

- Presentations to institutions and organizations (most recently, CAUT)
- Subsidy for travel to major international RCR conference
- Establishment of virtual community of practice

Revision

- Public consultation on proposed revisions (January – April, 2016)
- Comments posted on PRCR website
- PRCR considers comments
- Agencies will review this fall.
